---

### Producer information

This family estate located in the Costières de Nîmes takes its name from a wild, aromatic herb “La Patience” that can be found throughout the vineyard. After a decade of managing the winemaking at the local cooperative Christophe Aguilar decided it was time to make his own wine. Today Christophe farms 60 hectares of vines, fifty-years ago his grandfather farmed the same soil, with a deep respect and understanding of the terroir.  
<http://www.domaine-patience.com/>Certification: Sustainable and in the process of converting to organic.
